**CENTRAL INTELLIGENCE AGENCY**

WASHINGTON, D. C. 20505

OFFICE OF THE DEPUTY DIRECTOR (INTELLIGENCE)

8 July 1965

**MEMORANDUM FOR: Mr. McGeorge Bundy**  
**Special Assistant to the President**  
**for National Security Affairs**  
**The White House**

**SUBJECT : Economic Intelligence Statistical**  
**Handbook, 1965**

1. I want to call your attention to, and recommend for your use, the attached new edition of our Economic Intelligence Statistical Handbook. Previous editions have formed an essential part of my own working library and have provided an invaluable source of facts and figures for interpreting the daily flow of economic intelligence.

25X6 2. The Handbook is basically a compilation of essential  
25X6 economic statistics on the Communist countries, but it also  
provides numerous tables and charts of comparative data for  
Bloc and Free World economies. This year new tables have been  
included [REDACTED]

[REDACTED] Also, the Table of Contents and the  
Index have been greatly revised. As in the past, data have 25X6  
been drawn from unclassified sources wherever possible to  
increase the utility of the Handbook.

3. Copies of the Handbook are being distributed to working analysts throughout the official community and to selected executives who, like yourself, may find it a useful reference.
